

## Growing Pains, Pt. 1 – Mk. 8:1-20

Key verse: **Mark 10:45** For even the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.

---

Growth is important, but often, it \_\_\_\_\_.

At a doctrinal high-level, there is an element of \_\_\_\_\_ that is involved in spiritual growth.

### Spiritual Growth Involves

#### I. \_\_\_\_\_ Lessons.

There are some lessons that will repeat until we \_\_\_\_\_ the lesson.

A major goal in the Christian life is the \_\_\_\_\_ of walking by sight and the \_\_\_\_\_ of walking by faith.

#### II. \_\_\_\_\_ Lessons.

Walking by sight is a manifestation of \_\_\_\_\_.

There is often a dispensational \_\_\_\_\_ regarding the sign gifts.

The sign gifts were for a \_\_\_\_\_ in time.

The sign gifts served two primary purposes:

1. To prove that Jesus was the promised \_\_\_\_\_.
2. To show Israel that God was adding \_\_\_\_\_ to the household of faith.

At some point, the Christian life must be about truth, not \_\_\_\_\_ and \_\_\_\_\_.

In the Christian life, the \_\_\_\_\_ is what holds everything together.

#### III. \_\_\_\_\_ Lessons.

Remedial lessons are intended for students who are experiencing \_\_\_\_\_ difficulties.

The quiet time isn't very helpful if you leave the \_\_\_\_\_ behind that God gives you in it.
